

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2023/1669 with regard to the energy labelling of smartphones and slate tablets

|  |                                 |                                      |
|--|---------------------------------|--------------------------------------|
| <b>1. Trademark</b><br>DOOGEE  |                                 | <b>2. Model identifier</b><br>Fire 3 |
| <b>3. General product parameters:</b>  |                                 |                                      |
| Parameter  |                                 | Value                                |
| 4. Device type   |                                 | Smartphone                           |
| 5. Operating system  |                                 | Android                              |
| 6. Energy efficiency class   |                                 | A                                    |
| 7. Battery user-replaceable  |                                 | No                                   |
| 8. Battery endurance per cycle ( $END_{device}[h]$ )   |                                 | 91                                   |
| 9. Battery endurance in cycles - default settings [cycles]   |                                 | 1 100                                |
| 10. Rated battery capacity ( $C_{rated}[mAh]$ )  |                                 | 8 350                                |
| 11. Shipped with protective cover  |                                 | No                                   |
| 12. Repeated free fall reliability test - falls without defect [n]   |                                 | 270                                  |
| 13. Repeated free fall reliability test - falls without defect, tested in fully extended state [n]                             |                                 | n.a.                                 |
| 14. Repeated free fall reliability class   |                                 | A                                    |
| 15. Ingress protection rating  |                                 | IP68                                 |
| 16. Specified immersion depth in water, in case of IPx8 [m]  |                                 | 1,50                                 |
| 17. Screen scratch resistance on Mohs hardness scale   |                                 | 5                                    |
| 18. Charger  | Required output power [W]       | 18                                   |
|  | Receptacle type (at device end) | USB-C                                |
| <b>Repairability information:</b>  |                                 |                                      |
| 19. Minimum guaranteed availability of operating system security updates, corrective updates and functionality updates (years) |                                 | 5                                    |
| 20. Repairability Class (based on the index below)   |                                 | C                                    |
| 21. Repairability Index  |                                 | 3,25                                 |
| 21a. Disassembly Depth ( $S_{DD}$ ) score  |                                 | 3,30                                 |
| 21b. Fasteners (type) score ( $S_F$ )  |                                 | 2,60                                 |
| 21c. Tools (type) score ( $S_T$ )  |                                 | 3,60                                 |
| 21d. Spare Part score ( $S_{SP}$ )   |                                 | 4                                    |
| 21e. Software Updates (duration) score ( $S_{SU}$ )  |                                 | 3                                    |
| 21f. Repair Information score ( $S_{RI}$ )   |                                 | 3                                    |
| 22. Weblink to information on spare parts availability for professional repairers and end users                                |                                 | /                                    |

|  |    |
|--|----|
| 23. Weblink to repair instructions for end-users                       | /  |
| 24. Weblink to indicative pre-tax prices                               | /  |
| <b>Additional information:</b>   | /  |
| 25. Minimum duration of the guarantee offered by the supplier [months] | 12 |

Model placed on the Union market from 03/09/2025

**EPREL registration number:** 2459718
