

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2023/1669 with regard to the energy labelling of smartphones and slate tablets

|  |                                 |   |
|--|---------------------------------|---|
| <b>1. Trademark</b><br>Blackview   |                                 | <b>2. Model identifier</b><br>Tab 20 Kids |
| <b>3. General product parameters:</b>  |                                 |   |
| Parameter  |                                 | Value                                     |
| 4. Device type   |                                 | Tablet                                    |
| 5. Operating system  |                                 | Android                                   |
| 6. Energy efficiency class   |                                 | D   |
| 7. Battery user-replaceable  |                                 | No  |
| 8. Battery endurance per cycle ( $END_{device}[h]$ )   |                                 | 122                                       |
| 9. Battery endurance in cycles - default settings [cycles]   |                                 | 800                                       |
| 10. Rated battery capacity ( $C_{rated}[mAh]$ )  |                                 | 6 600                                     |
| 11. Shipped with protective cover  |                                 | No  |
| 12. Repeated free fall reliability test - falls without defect [n]   |                                 | 131                                       |
| 13. Repeated free fall reliability test - falls without defect, tested in fully extended state [n]                             |                                 | n.a.                                      |
| 14. Repeated free fall reliability class   |                                 | C   |
| 15. Ingress protection rating  |                                 | IP44                                      |
| 16. Specified immersion depth in water, in case of IPx8 [m]  |                                 | n.a.                                      |
| 17. Screen scratch resistance on Mohs hardness scale   |                                 | 7   |
| 18. Charger  | Required output power [W]       | 10  |
|  | Receptacle type (at device end) | USB-C                                     |
| <b>Repairability information:</b>  |                                 |   |
| 19. Minimum guaranteed availability of operating system security updates, corrective updates and functionality updates (years) |                                 | 5   |
| 20. Repairability Class (based on the index below)   |                                 | B   |
| 21. Repairability Index  |                                 | 3,42                                      |
| 21a. Disassembly Depth ( $S_{DD}$ ) score  |                                 | 4,60                                      |
| 21b. Fasteners (type) score ( $S_F$ )  |                                 | 4,30                                      |
| 21c. Tools (type) score ( $S_T$ )  |                                 | 4,85                                      |
| 21d. Spare Part score ( $S_{SP}$ )   |                                 | 4   |
| 21e. Software Updates (duration) score ( $S_{SU}$ )  |                                 | 1   |
| 21f. Repair Information score ( $S_{RI}$ )   |                                 | 1   |
| 22. Weblink to information on spare parts availability for professional repairers and end users                                |                                 | See Manual                                |

|  |            |
|--|------------|
| 23. Weblink to repair instructions for end-users                       | See Manual |
| 24. Weblink to indicative pre-tax prices                               | See Manual |
| <b>Additional information:</b>   |            |
| 25. Minimum duration of the guarantee offered by the supplier [months] | 24         |

Model placed on the Union market from 16/07/2025

**EPREL registration number:** 2417687
